

GET INTO THE FESTIVE SPIRIT!

Fun for all the family can be had at a Christmas Market which has been organised for the whole of the Ribblesdale Valley community

A skating rink is set to put the finishing touches to a wonderful Christmas Market which will feature Ribblesdale Valley businesses and lots of festive fun!

Moorland School is hosting the market on Friday 9 December from 4pm to 9pm so get set to enjoy all the merriment of Christmas.

The market is open to everyone and entertainment will be provided in the form of a One Voice Community Choir singing carols, there will be up to 15 local businesses manning stalls selling a variety of gifts and goodies, refreshments and of course, Santa Claus will also make an appearance!

It is the first time Moorland has hosted a Christmas Market but as Headmaster Jonathan Harrison explains, it is their way of contributing and giving back to the wider community: "This event embraces what Moorland is all about – we endeavour to involve the local community in all that we do."

"We like to think we can give the people of Clitheroe something that they might not have had access to otherwise – this is true of the Christmas Market and our planned Sixth Form Centre."

He added: "We also like to help local businesses prosper so we are involving as many as we can in the Christmas Market."

“ AT ALL TIMES MOORLAND ENCOURAGES PUPILS TO EMBRACE CITIZENSHIP – THIS IS AN IDEAL TIME FOR THEM TO DO THIS ”

Staff and pupils will all be lending a hand and a skating rink will be set up for adults and children to get into the Christmas spirit and show off their skating skills!

"At all times Moorland encourages pupils to embrace citizenship – this is an ideal time for them to do this."

"The whole world is going through difficult economic times and we are all in it together, so now is the time to unite and bring together the local community at a wonderful time of year." ■
